## PRESIDENT'S MESSAGE

by Stephanie Pittenger #59999

### Greetings to All the Gang-

Kenny Chesney has a hit song called "Don't Blink" and it pretty much symbolizes a year as Senate President into a nutshell. You blink and it's time to announce your candidacy, you blink and you are accepting the nomination, blink again and you are giving your acceptance speech that with one line you have set your legacy for the year. (Let's hear it for the HUGE "PEANUTS" FAN!) And so the year goes on in a blink; we are just wrapping up the holiday season and I hope each of you found the time to enjoy your families and the joy of the season. Now it is time for another blink and we are heading into the back stretch of "Soaring Beyond Your Best."

I was really pleased with the great turnout for the Fall meeting in Lisle. I was extremely excited with the some 75 people attending the first Friday night "Midnight Toast". It went over well - especially since only about 10 senators were left on Saturday night. I want to especially thank Lucia Irwin #66765 (North), Barb Sleeman-Beckman #63625 (Fox Valley) and Ed Kosobucki #57340 (Northeast) for providing outstanding food for the hospitality room and to Hospitality Chairman Tony "Pigpen" Symoniak #66367 for having everything in order for the weekend, including some donated snacks from a local caterer. The membership meeting was well attended and was completed in one hour flat!

Kudos to Denny Birt #37116 for completing another successful season of Illini Concessions. He and Jan have earned a little break on the weekends. A special thanks goes to all the Senators and family members that volunteered their time to work at least one of the games. Thanks to Terry Barker #40979 on the successful completion of the Senate's initial participation in Birdies for Charity. Both of these projects have enabled our fundraising efforts continued success. Speaking of fundraising projects that are well underway, but could still use your support are the Lotto Raffle and the Silent Auction. If you have not purchased and/or sold your Lotto tickets, please contact Tom "Tommy Bird" Greathouse #60003 before February 1st to have qualifying tickets. The Silent Auction will be held at the January meeting in Decatur and Chairman Chris "Chrissy Bird" Curtis #35440 and his lovely assistant Susie Colbert-Curtis are looking for your items to auction. I want to encourage you to donate items, but not necessarily those items that have been sitting in your basements or garages for the last 10 years. The better the quality, the better the bids, and this adds up to a better bottom line for the treasury.

Here comes another of those blink moments; it is time for our largest undertaking for "Return the Favor". This year marks the 25th Anniversary for the Senate's hosting this program and we want to make it a special one. Chairmen Fred Rutz #49724 and Gary Pittenger #24804 are assembling a fantastic committee and they are all working hard at putting together an evening to remember.

If you are looking for warmer climate conditions in January consider joining us in Houston, TX January 22-25 for the USJCI Winter BOD Meeting.

If you are interested in this or future travel plans, be sure to contact On-To Chairman Don "Franklin" Falls #40510 for information. This is an excellent chance for our "Boys of Summer" to get in some winter golf. Illinois Senator Mark Wiley #39704 is involved in hosting this National Senate meeting. Is anyone surprised?

## ADMINISTRATIVE REPORT

by Kate Patterson #52517

Winter got off to an early start this year, but while we are shivering in our boots our hearts are filled with warm thoughts of helping others.

This is the perfect time of the year to assist Return the Favor Chairman Linda Ferguson #64547. Linda is always available to take your information on what you have done to help our Jaycees. Remember, the Jaycees is how we got to where we are today and assistance in continuing the fine traditions of the Jaycees is needed now more than ever.

Patty Butler #65322 and Karen Helms #57838 would very much appreciate you remembering those who are assisted through Camp New Hope and the Organ Donor programs. If you have ways of assisting Patty with Camp New Hope, please let her know. Karen reminds all of you to become organ donors by signing the back of your driver's license upon renewal and letting your family know of your decision. JoAnn Smith #51107, Freshman Senators, is hard at work making new Senators feel like family. While Dick Hiatt #7811 is waiting in the wings for them to make history.

It has been a difficult time in our local communities. Please continue to help the less fortunate.

I hope you and yours are safe and well.

We pray for our new president and all elected officials as they attempt to lead through these trying times.

## ILLINOIS SENATE WINTER MEETING

JANUARY 16 - 18, 2009

DECATUR, ILLINOIS

## MANAGEMENT REPORT

by Gary Hongsermeier #39708

**W**hat a great GA we had in Lisle last November. Now we are entering the cold months and getting ready for Spring Training.

Hospitality at the GA was great. Tony "Pigpen" Symoniak 66367 did a great job and had a wonderful room away from others. The Northeast did a great job with sausage on Friday, the Fox had biscuits and gravy for breakfast, and the North had sloppy joes for lunch. Can not ask for better than that. Tony had so much fun he said he may even do it next year.

Don "Franklin" Falls 40510 report that the Winter Board meeting will be held in Houston and Mark Wiley wants us all to attend. The Spring Fling will be hosted by Kentucky in March and there will be the usual side trips next summer.

The Spring GA will be held in Decatur in May co-chaired by Mary Ann "Sally" Hilleary 64615 and Lori "Lori" Suprenant #67040. They promised no bomb threats or fire alarms.

TOYP will be co-chaired by Fred "Fritz" Rutz 49724 and Gary "I am on podium probation" Pittenger. The deadline for submissions is February 1 and there are many incentives for submissions.

In absence of Val "Coach" Koble 13921 it was reported that the Illinois/Missouri Braggin' Rights basketball game will be held Tuesday, December 23 in St Louis with Missouri in charge of hospitality. The hotel is the same and we can celebrate another Illini victory.

Gary "I am on podium probation" 24804 gave a final report on the picnic. We had plenty to eat and drink and the outside hospitality area was a big hit. A profit was made.

In the absence of Charlie "Country" Meir, Sid "Mr. Illinois" LeGrand 46004 said that the 2009 picnic will be held in Okawville the last weekend in July at the Original Springs. There will be side trips to a civil war fort, Carlye Lake for fishing, and two trips to the world famous Blue Room. He suggested that you get your registrations in early to insure being in the headquarters hotel.

I hope all had a safe holiday season and that you are ready for 2009. Get involved and be happy.

## SPECIAL NOTICE

Due to some communication problems, there have been a few deaths and medical situations concerning Illinois Senators and/or their family members that have not been publicized in a timely manner or bypassed completely. In order to rectify any shortcomings concerning such instances in the future, we would like to alert everyone to our recommended policy for timely, informative notices being communicated to our membership. Thanks to the computer age, internet and email, this is a tremendous tool for doing such.

It is requested that anyone who experiences a death, medical situation or blessed event involving any of our Senators or their family members, please make sure these three key people are notified immediately: Webmaster Larry Ferguson (jci45060@mindspring.com), Chaplain Jerry Smith (jerrysmith@owc.net) and President Stephanie (snoopy59999@comcast.net). Larry will send out the email message to our membership, Jerry will forward the information to the USJCI Senate newsletters plus include these circumstances at the Senate meetings and in the Forum. Stephanie is a matter of protocol and she will follow-up with Larry and Jerry.

In the event of a death, please attempt to provide as much pertinent information as possible (name, town, visitation info, funeral arrangements, memorials, a possible link or source to an obituary). Sometimes it is best if a spouse can provide this info direct to avoid "middlemen" and delays. Naturally, timeliness is of utmost importance in the event of a death so those wishing to convey their condolences can do so in a timely manner and/or make arrangements to attend visitations or funeral services. In the event of other medical notices or blessed events - make sure as much detail as possible is forwarded.

The Illinois Senate apologizes to any fellow Senator and family members that were affected recently by the lack of communication concerning your loved ones. Hopefully, we have implemented a plan to correct any such problems in the future. Our Senate family is very important to us.

# TREASURER'S COMMENTS

by Greg Hilleary #43305 • ghilleary@hacd-hud.com

What a year it has been. What a great time was had by all in Lisle. It's hard to believe that Thanksgiving is over and Christmas along with 2009 will be here in a few short days. As usual, Mary Ann and I have been very busy with Ross's school especially since this is his senior year. Where did that time go! He was involved in the Marching Band this past fall season. Now it's the Madrigals and Show Choir. It's hard to believe how fast time flies.

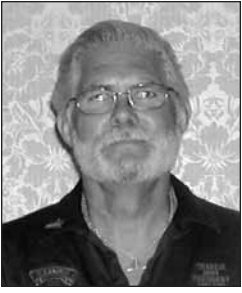

On to membership, we began the year in July with 728 and we grew by one for the first quarter to 729. In November, we renewed 294 of the 296 members that were due and we added 3 new members. That brings us to a total membership of 730. We have 671 life members. We currently have one member, Sandra Harpstrite #65882, on the payment plan for life memberships.

We sent out the annual dues billings in June since all annual dues are due and payable by July 31, 2008. There have been two additional billings. We still have 19 of the 59 who have not paid and are past due. They are as follows: Donna Baker #67041, Dennis Brinkman #42472, Donna DiMascio #66155, Tim Durbin #67682, Bonnie Hart #59553, Ed Hart #28991, Susan Houge #64469, David LeClere #66439, David Mustain #55712, Twila Mustain #61202, Louanne Neville #50067, Phillip Neville #45059, James Polson #66154, Kurt Schmitz #55620, Kim Sefton #35441, Theodore Spanbauer #27252, Ron Stadelman #51090, Tim Teeter #67302, and Shaun Voegele #67928. If you know any of these senators, please contact them and remind them to send in their dues checks. If you are one of these senators, please make payment as it costs us more dollars to send out additional reminders.

The January Board Meeting will be on November 17, 2009 in during the Jaycees Winter General Assembly/Year-End Convention and will be located at the Decatur Conference Center and Hotel, 4191 West U S Highway 36 (Wyckles Road), Decatur, Illinois. REMEMBER - the room reservations for this meeting is \$107.96. The hotel now requires the \$98 room fee plus the tax for the first night. (Sometimes you wonder why it seems to be so difficult.) Send your registration to me at 3158 East Main Street, Danville, IL 61834.

If you need to get in touch with me my email address is ghilleary@hacd-hud.com and my phone number at work is 217-444-3101.

## EDITOR'S NOTEBOOK

by Charlie Gouveia #18294

**A**long with the disarray within government and in the country in general, the good old "snail Mail" US Postal Service, seems to have jumped the track as well. Although the Fall FORUM was mailed on the 10th of October from Springfield, some of you (including President Snoopy!) had not gotten your copy by the Fall GA in Lisle. Since I had gotten my copy by October 15, it seemed that all was on track to me. We try to mail the hard copy of FORUM shortly after the electronic copy is posted on our web site, which is usually about a month prior to the GA. Please, if you have not gotten your hard copy at least a week prior to the GA, send me an e-mail at [gouveiach@yahoo.com](mailto:gouveiach@yahoo.com), or give me a call. If this situation is wide spread, we may have to move back the due date for copy to give the good old USPS more time. Meantime, check out FORUM on line at [www.illinoisjcisenate.org](http://www.illinoisjcisenate.org) for news hot off the press. For the time being, the deadline for the Spring GA/TOYP issue of FORUM is still March 15, 2009.

Winter GA will be the weekend of January 16-18, 2009 at the Decatur Conference Center Hotel (the old Holiday Inn Decatur), see registration information elsewhere in this issue.

Thanks to all of you who sent cards or e-mails upon the death of mother this fall.

See you in Decatur

## PRESIDENT'S MESSAGE

(Continued from Page 1)

And before the blink has come and gone I want to thank some additional chairmen that have done an outstanding job with their projects and programs in the past several months. Thank you Val Koble #13921 for arranging a wonderful evening of fun and fellowship with our friends from Missouri at the basketball game in December. JoAnn Smith #51107 has done a great job with the Freshman Senator Orientation and Linda Ferguson #64547 has kept track of all the Return the Favor programs and projects you have been involved with on the past months. Keep those favors coming in to her so she can send them on to National. And to the entire staff that has taken the time to provide us with this informative newsletter, my hat is off to you and the great job you have all done; thanks to Mel "Lois" Urbanowicz #55459, Charlie "Clark" Gouveia #18294 and Steve "Jimmy" Kesegi #53934.

At our Fall meeting in November, we approved some important committees that are underway or preparing to get underway. We have a By-laws and Policy Committee that have been working very hard to address some needed policy changes and review the by-laws for any necessary changes. I want to thank Chairman Jim Mammen #37122 and his band of Illinois Bad Boys, Larry Ferguson #45060, John Olson #35308, Gary Pittenger #24804, and Jack Ward #53585. They should have some recommended policy changes to present at the January meeting.

Another committee swinging into action at the upcoming meeting is the Nominations/Election Committee chaired by Chuck McFarlin #47910 with members Val Koble #13921, and JoAnn Smith #51107. Any Senator considering running for office next year needs to contact one of the committee members by the January meeting. Did I mention "don't blink" – it's time for officer nominations!

So I am asking you to "Don't Blink" and miss out on any of the fun we have yet to come and keeping working on "Soaring Beyond Your Best." If I don't see in Decatur January 16-18, I hope to see you all very soon. Thanks for all that you are doing to make this year the BEST!!!

# THE HEARTLAND HONEYDIPPER

by Linc

It's been a busy season for the IL JCI Senate and Linc has been hopping to stay on top of all the developments and activities as well as making a few spare moments to hang out behind his shades and see what has transpired in the hospitality room in Lisle. As the weather cools you can have more "stuff" without the aroma carrying so far so fast. Once again our friend Linc has made it his duty to peruse the "duty" and share it with you. Put on your boots, step in and hope it does not go over the top. Welcome to the pit, and we ain't talkin' NASCAR.

Digger was in attendance at the meeting. Evidently he found a ride after the NOV 1 football game at the U of I and is NOT still standing on the street corner outside Memorial Stadium.

Also during a concession stand weekend . . . Tony was demoted from "burgermaster" to "wienie wrapper".

Aided with a special prop, Hongsie was doing his Jerry Luttmann impersonation in Lisle. (That's Jerry L., not Larry S.)

Just to help out her friends Stephanie sent a picture of Tom Greathouse to Mark Wiley with her phone. Nice high-tech gesture, Steph. By so doing she has now shared her cell number and can receive free advice from Houston for the remainder of her term.

It was announced at the meeting that, "Willett is lower than Fries."

If Hongsie is late for the next meeting it may be that he is not yet done eating pie in the kitchen with Brooke?

McFarlin got all the dinner checks on Saturday. Stephanie got them again.

No matter how many times he protests, Tony will remain the Hospitality Chairman for the foreseeable future. It's just that the future isn't as long as it used to be.

Did you know that Charlie Gouveia and his daughter, Mary Ann, share the same house number on different streets. His in New Berlin, IL and hers in Waco, TX. Aren't you glad you read this all the way to the end?

Rats! The Forum staff has been found out! Mailing the President's copy of FORUM AFTER the meeting!!

Yes, you have made it to the end of another serving of "Linc's Special" and that is the sweet smell of success tickling your olfactory. The winter and everything else deepens from this point. Just because the ground is frozen doesn't mean that there isn't something soft to step in. Look out for the fresh ones. Linc will be watching and you do the same.

## FRESHMAN SENATORS

joannsmith51107@yahoo.com

**C**ongratulations to our newest Senators. (The two that were received at the GA, Dan Adams and Denise Lenz). Thank you Dan Adams for attending the orientation.

If you have received your Senatorship at a Region or chapter meeting, I don't usually find out until the next GA. So if I don't include your name in this article, it is because I have not heard the good news yet. Welcome. You are a member of the greatest group of friends you will ever find. We have a freshman orientation at each GA. We will let you know about dues, life membership dues and other things. If you would like to get involved in the senate this is the place to find out all about the way to do that and the fun things we do.

I am sure that you have heard about the Midnight toast for new Senators. We have one on the Friday during the GA. So bring your Senate name badge, remember your number and come to the Senate hospitality room at the GA, at least by midnight on Friday and we will welcome you into our group.

Come Soar with President Stephanie.

## **TOYP 2009**

**by Co-Chairmen Fred Rutz #49724 and Gary Pittenger #24804**

**I**t is our pleasure to serve as the co-chairmen of the 2009 TOYP Honors Program. This year's program marks a special milestone for this outstanding Return the Favor project – it is the 25th Anniversary for the Illinois JCI Senate to conduct this event on behalf of the Illinois Jaycees. Special plans are underway to celebrate this event.

One of the special items being implemented is to honor our original co-chairmen of 25 years ago by having Mike Kelley and Fred Fischer serve as the emcees. That doesn't mean that Fred and Gary won't have speaking parts – but they will be minimal.

The event is scheduled for Saturday, May 2nd at the Decatur Conference Center and Hotel. We are in the process of assembling our committee and are quite pleased with the results to date. We will be soliciting manpower assistance for the date of the event. Anyone wishing to participate should contact Fred or Gary.

The nomination form can be downloaded from the Illinois JCI Senate website. If you know of a deserving nominee, please consider submitting a nomination. It is required that all nominations be sponsored by a Jaycee chapter, group, organization, business, etc. Senate Regions should consider serving as nominators. The deadline date for submitting nominations is February 1st. But why wait until the last minute – bring your nominations to the January meeting to avoid the rush.

Even though we continue to look for corporate sponsors to support the TOYP program, we do rely heavily on booklet ad sponsorships from Jaycee chapters and regions, local businesses, individuals and Jaycee Senate Regions. Please consider your continued support by sponsoring an ad in this year's program booklet. Ad costs are: quarter page - \$75, half page - \$150, full page - \$250.

## **ILLINI CONCESSIONS**

**by Denny Birt #37116**

**T**he football concessions had another successful & profitable year. I would like to thank all of the volunteers for their time & effort to make it successful. Six games are more than enough for me. Since it took a minimum of 14 workers per week, we teamed up with the Parkland college dance team to fill the worker spots. They also did a good job.

The new facilities made it easier to work & lightened up the work place. It was not as dreary as in the past. Also the new equipment made it easier to work.

You can tell we are getting older by the creaking bones at the end of the day & the moans on the shuttle bus.

## **LOTTO RAFFLE**

**by Tom Greathouse #60003**

**F**ellow Senators, February is just around the corner, that means it's almost Lotto Raffle Time. For Senators that have tickets, hopefully your sells are going well. To Senators who want to buy some tickets I will have them available at the January Meeting. All money and tickets are due to be given to me at the January Meeting. To Senators who want to take tickets to the Winter Board Meeting, please see me at the January Meeting to make arrangements to do it. I would like to wish everyone a Happy Holidays and look forward to seeing you in January.
